PRODUCT DESCRIPTION

Pukka BB-43 is a premium polyamide yarn designed to deliver a silky touch and a beautifully soft fluffy surface. The delicate halo around the yarn gives projects a refined and elegant appearance while maintaining a lightweight and comfortable structure. With 150 meters per 100 g ball, BB-43 offers excellent yardage and works smoothly in both knitting and crochet. The soft polyamide fibers create a luxurious feel and gentle sheen, making this yarn particularly suitable for garments and fashion accessories. Its silky character and airy texture make BB-43 a perfect choice for sweaters, cardigans, scarves and modern handmade designs where softness and elegance are essential.
