PRODUCT DESCRIPTION

Pukka BB-46 is a novelty eyelash yarn designed to bring texture, shine and personality to handmade projects. Made from soft polyester fibers, the yarn features a central thread surrounded by fine shimmering lashes that create a lively and fluffy surface. The soft sparkle effect gives projects a playful yet elegant appearance, making this yarn ideal for creative knitting and crochet. Its lightweight structure allows projects to remain soft and flexible while still achieving a bold visual texture. With 150 meters per 100 g ball, Pukka BB-46 offers generous yardage and works beautifully for accessories, decorative pieces and imaginative designs such as toys or fashion accents.
