PRODUCT DESCRIPTION

Pukka Soft Papier Twist offers the distinctive texture of Soft Papier in a softly twisted yarn construction. Made from 100% polyester, this version provides improved structure and stitch definition while maintaining the soft matte character of the original yarn. The twisted construction creates a more rounded yarn profile, making stitches appear clearer and more balanced in both knitting and crochet projects. Its lightly brushed surface gives projects a modern, soft-touch appearance. Soft Papier Twist is ideal for fashion accessories, handmade bags and contemporary designs where both structure and texture play an important role.
