PRODUCT DESCRIPTION

Pukka Soft Papier is a modern flat yarn made from 100% polyester, featuring a soft non-twisted structure and a gently brushed surface. Its smooth yet textured appearance gives projects a refined matte finish while maintaining excellent shape and durability. Thanks to its unique construction, Soft Papier creates bold and well-defined stitches that stand out beautifully in both knitting and crochet. The soft structure makes it comfortable to work with, while the pastel colour palette adds a contemporary and elegant touch. This yarn is particularly suitable for fashion accessories, bags and creative handmade designs where texture and structure are part of the style.
