PRODUCT DESCRIPTION

Pukka Soft Papier Colors brings the same modern texture of Soft Papier together with dynamic colour transitions. Made from 100% polyester, this yarn features a soft flat structure and a gently brushed surface that creates a smooth matte appearance. The gradual colour changes add depth and movement to handmade pieces, making every project visually unique. Its structured body forms bold, well-defined stitches, which makes it especially suitable for bags, accessories and contemporary fashion designs. Soft Papier Colors is an excellent choice for crafters who want to create stylish handmade pieces with minimal effort while achieving a striking colour effect.
