PRODUCT DESCRIPTION

Pukka Urban Halo is a modern fluffy yarn designed to bring softness, volume and texture to contemporary handmade projects. Made from 100% polyester, the yarn features a soft halo of fine fibers surrounding the core thread, creating a plush and luxurious faux-fur appearance. Despite its rich fluffy texture, Urban Halo remains lightweight and easy to work with thanks to its generous 65 m length per 100 g ball. The yarn produces soft, airy fabrics that feel warm yet comfortable, making it ideal for fashion pieces and statement accessories. Urban Halo is perfect for projects where texture becomes the highlight of the design. From cosy scarves to stylish sweaters and creative accessories, this yarn delivers a modern handmade look with effortless volume.
